**Price: £68,000**

### Key Features

<b>Berths:</b>	4
<b>Length &amp; Type:</b>	57ft Narrowboat
<b>Year:</b>	1998

### Description

Discover the charm and comfort of Cats Whiskers, a 57ft semi-traditional narrowboat designed for an idyllic canal lifestyle. Built in 1998 and equipped with all the essentials, this 4-berth boat offers an inviting retreat on the water.

The galley, seamlessly integrated with the saloon, features an efficient "U" shaped design with granite-effect worktops. Beneath the counters, ample storage space ensures all kitchen essentials are neatly tucked away. Equipped with a rounded stainless steel sink and drainer, a Shoreline fridge (12/24vdc), a gas oven, and a 4-burner hob, this space provides everything needed for preparing meals on the go.

The cosy lounge area is warmed by a solid fuel stove, creating a snug atmosphere on cooler days. A built-in cupboard and bookcase on the starboard side offer handy storage, while two comfortable chairs provide the perfect place to relax and unwind after a day of cruising.

The practical "L" shaped settee in the dinette area offers under-seat storage and can be easily transformed into a dining space with a table supported by removable "Desmo" legs. This versatile area is ideal for family meals or entertaining guests.

The aft cabin is perfect for children or guests, with two bunk beds, a large wardrobe, and removable steps leading to the aft doors. Additional features include a vanity unit and under-bed storage, ensuring plenty of room for personal belongings. A porthole window adds a traditional touch, letting in natural light.

The spacious master bedroom includes a fixed double bed with drawers below for extra storage. The bed is positioned to the port side, with easy access to the shower discharge pump and a high-level oak cupboard providing additional storage space. A thoughtfully designed walkthrough layout enhances the flow of the space.

The well-equipped bathroom includes a wash hand basin with storage underneath, a pump-out toilet, and a sit-in hip bath with a shower above. A glass shower door, a mirror, and a towel rail complete the room, while a porthole window brings in light. The boat is heated by an Alde gas boiler, ensuring warmth and comfort year-round.

Whether you're seeking adventure or relaxation, Cats Whiskers offers a well-balanced mix of practicality and charm, perfect for life on the water.
